

Keys for Kids

Sponsored by the Andover Department of Community Services

“Key for Kids” is a year-round after school music program where no previous experience is needed. You will receive a total music experience in a classroom equipped with an electronic keyboard for each student. In a supportive and fun atmosphere you’ll learn keyboard skills, how to read notes, rhythm and improvisation. Spring, summer and fall semesters are offered.

Free sample lessons June 9th, 16th and 23rd. You can also come for a FREE SAMPLE class anytime during the spring semester.

To register for a free sample lesson, a class schedule and more information, contact Jacob Zeltser.
