

Shingles Vaccination Clinics

The Andover Health Department is currently scheduling shingles vaccination clinics for 2010.

The clinics are open only to Andover residents who are 60 years of age or older.

The clinics will be held monthly by appointment only. Cost will be \$10.00.

Please call the Health Department at 978-623-8295 for the necessary paperwork.

This program is made possible by a grant from The Andover Home for Aged People.
