TOWN OF ANDOVER SCHOLARSHIP APPLICATION

Spring 2010

Dear Applicant:

Attached is the application for residents of Andover who wish to be considered for competitive financial grants to further their post-secondary education. Current high school graduates, returning college applicants and adult applicants may apply. Scholarships are awarded on the basis of need and/or merit for **full-time students pursuing their first undergraduate degree in an accredited two – or four-year program of education.**

What is unique about a Dollars for Scholars scholarship? Students who receive other local scholarships often find that their financial aid package from the institution has been reduced by some percentage of the scholarship. In contrast, Dollars for Scholars scholarships may access added value through two unique programs:

1. **Collegiate Partners:** Colleges and universities that are part of this program have agreed that up to \$2,500 of a Dollars for Scholars scholarship will be used to reduce unmet need and then self-help (loans and work-study) in a student's financial aid package.
2. **Matching Collegiate Partners:** Institutions that are Matching Partners may match a portion of a Dollars for Scholars chapter award up to the amount set by the institution.

The distribution of scholarships is determined by a committee appointed by the Board of Selectmen. To ensure confidentiality, the name and address of the applicant, as well as any other identifying information, will be removed before the application is forwarded to the selection committee. Scholarship winners must agree to have their names and photographs published. Awards will be payable to the selected college or school. **All applicants will be notified in writing of scholarship decisions by early June.**

The *fully completed* application, **postmarked no later than April 14, 2010**, should be mailed to:
