Logo Discussion - Chm. Mackay said the first order of business was to review the latest draft of the 375<sup>th</sup> logo. He asked if there were any comment on the updated logo being shown to the committee.

After discussion the following suggestions were made to bring back to the designer:

- Capitalize the T in Thrives
- Fix the balance of placement on the Library and the Park
- Add the kayaker in the river
- Add people at a café table having dinner
- Look at the white cupola. It gets lost in the design
- Look at adding more definition on the white façade building
- Would like to have a separate image made for use of the Andover Thrives at 375 without the kayaker in the river

Chm. MacKay asked if there was any further business or comment. Seeing no further comments Chm. Mackay called for a motion to adjourn. Cipriano Apicelli so moved; Buzz Stapczynski seconded. The meeting was adjourned at approximately 4:43 PM.
