| Andover | Total | 36,064 | 100% | 27,158 | 75% | 25,418 | 70% |

- Qualifications: This data is fluid and may not match numbers presented in the state’s weekly community data. The state positive case data may be found here: <https://www.mass.gov/info-details/covid-19-response-reporting>.
- State-wide vaccination data can be found here: <https://www.mass.gov/info-details/massachusetts-covid-19-vaccination-data-and-updates>
- The State Report on cases in vaccinated persons can be found here: <https://www.mass.gov/doc/weekly-report-covid-19-cases-in-vaccinated-individuals-september-14-2021/download>

Items to Note:

- This Week’s 7 day count is consistent with the case counts from 2 and 3 weeks ago, and is actually down by 1/3rd from last week’s report.
- We are noting increases in cases in daycare, preschool, and school settings.
- One case this week is associated with Merrimack College; there were 4 cases last week.
- Data is showing that there is no pattern concerning vaccinated versus unvaccinated cases.
- Cases are occurring in all age groups.
- We are seeing evidence of household spread; 54% of the cases in the last 2 weeks come from 22 households.
- Essex County has been designated by the CDC as an area of high transmission.

Precautions to Take:

- If you have not been vaccinated, or have not completed your vaccination series, **do so now**. To find a vaccination clinic, click here: <https://www.mass.gov/covid-19-vaccine>.
- If you are unvaccinated, you should wear a face covering inside public spaces and elsewhere, where crowds might be located.

- Fully vaccinated persons should consider wearing a face covering when entering crowded indoor spaces.
- If you have been identified as a close contact of a positive person, consider being tested no sooner than 5 days after you last exposure to that person. To find a test site, visit <https://www.mass.gov/info-details/find-a-covid-19-test>.
- The Commonwealth has created an anonymous alert system to notify you if you may have been close to a positive person; you must sign up to be part of this system. Visit here for details: <https://member.everbridge.net/index/406686158291020/#/signup>.

Face Covering Guidance:

- If you are unvaccinated, you should wear a mask.
 - On Public Transportation and Ride Shares, all persons **MUST** wear face coverings.
 - You **MUST** wear a face covering inside a medical facility and congregate care facilities.
 - You **MUST** wear a face covering inside a public school building.
 - You **MUST** wear a face covering inside The Robb Center, Memorial Hall Library, and the Cormier Youth Center.
 - If you are immunocompromised, even if vaccinated, you should wear a mask in crowded areas.
 - If you reside with a person who is immunocompromised, you should wear a mask in crowded areas.
 - If you are at increased risk for severe disease because of age or weakened immune system, you should wear a mask indoors when not at home.
-
