Re: **Insignificant Change Request**
3, 3R and 4 Executive Place, Andover
DEP File No. 090-1337

Dear Mr. Ellison:

Please be advised that the Andover Conservation Commission at the September 5, 2023 meeting approved the plan revisions outlined in a letter dated August 22, 2023 as an Insignificant Change.

Including:

Lowering of the elevation at multiple locations due to clearance requirements of overhead wires;
Infiltration Basin P3 and P4 were redesigned as Wet Basins;
Additional piping and drainage structures were installed due to the altered grade of the site and modifications of the basins.

For the Andover Conservation Commission,

Lynn M. Viselli,
Conservation Administrative Secretary
CC: DEP, Ann Marton
