Dear Mr. Cormier:

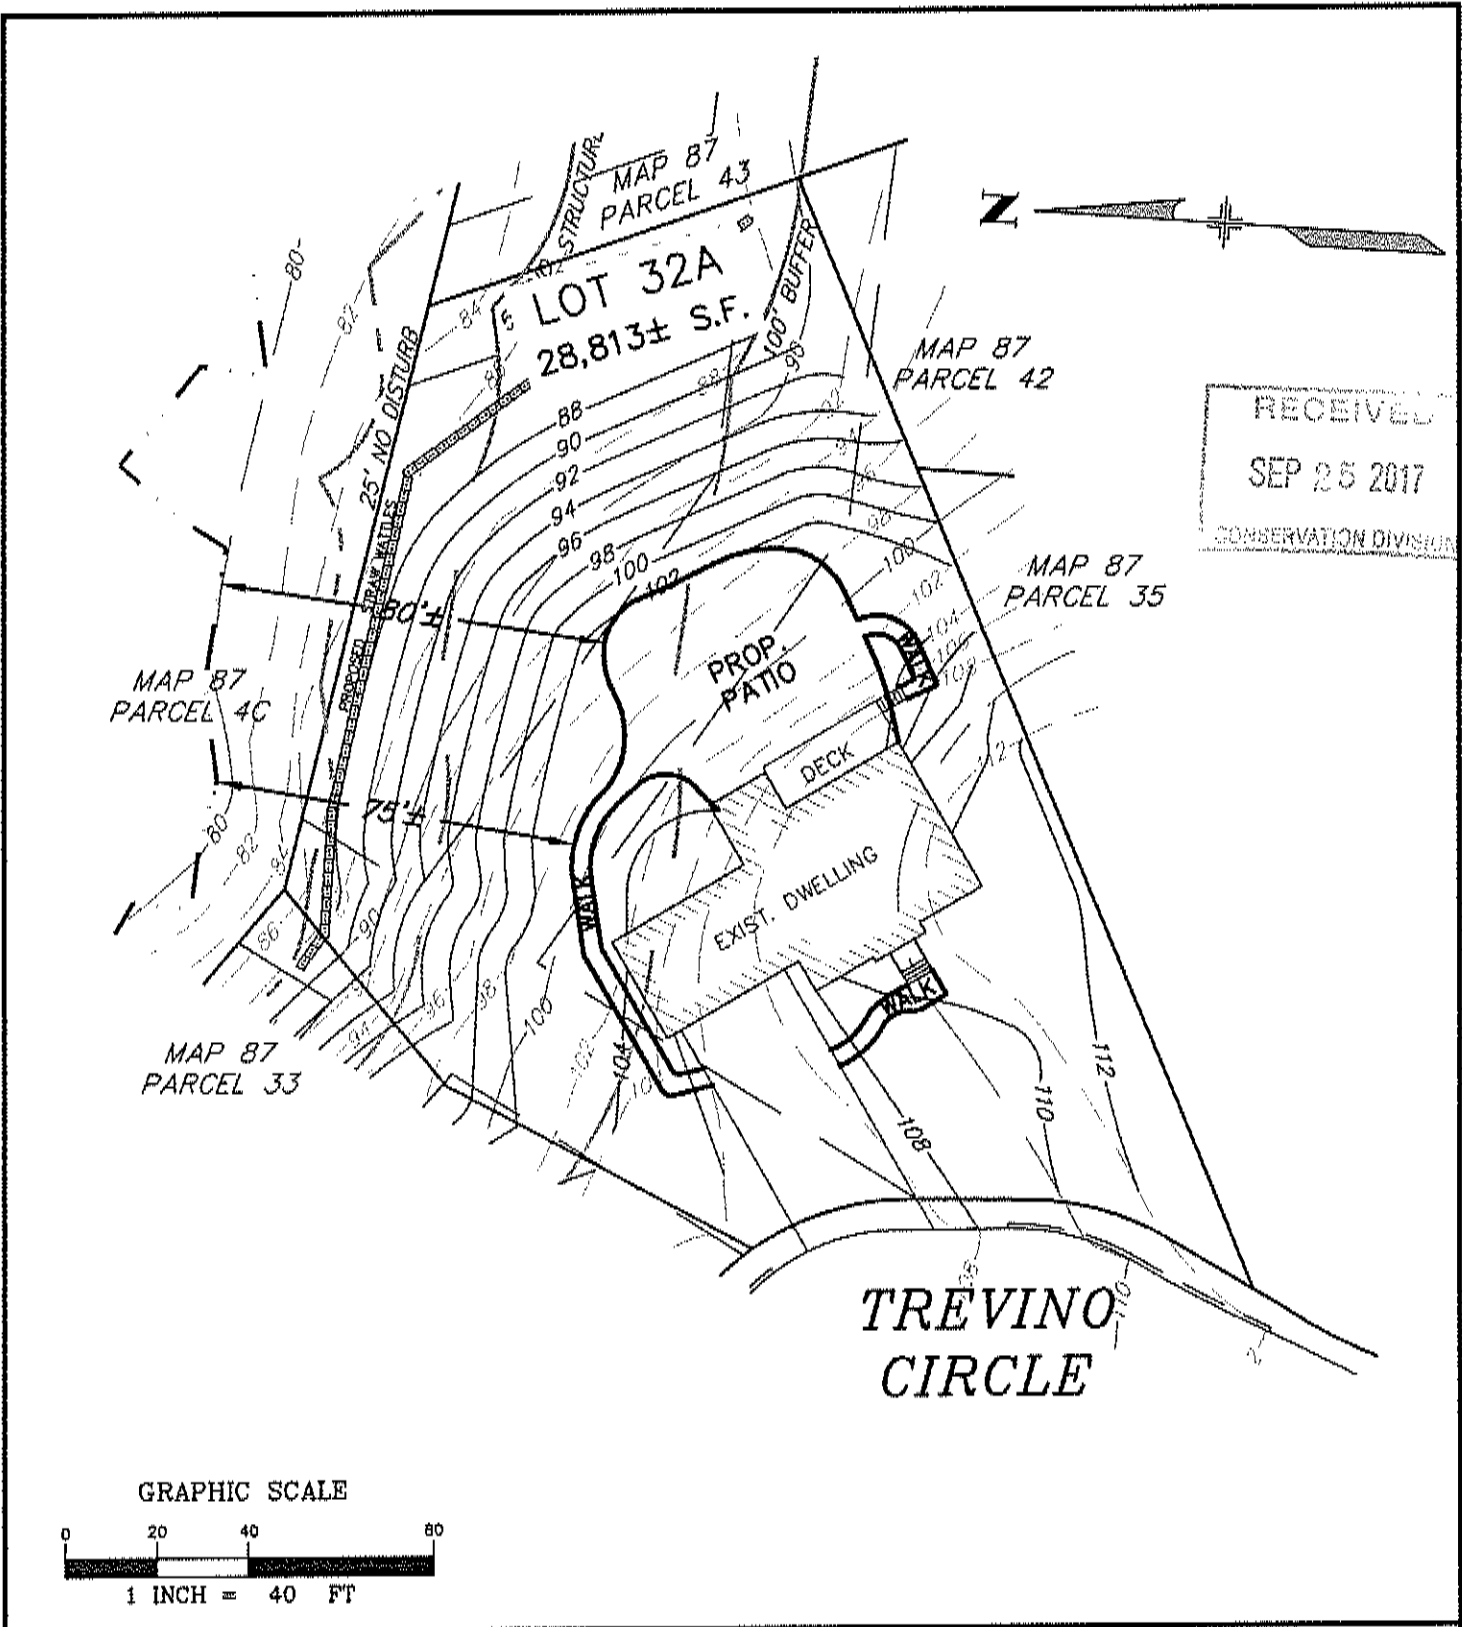

Please be advised that the Andover Conservation Commission at their October 17, 2017 meeting approved the plan revisions outlined in your letter dated September 25, 2017 as an Insignificant Change.

The revisions included:

The expansion of the patio to be 80 feet at a point and 75 feet at a point from the wetland at the closest points. The patio will be constructed on top of the existing grade and will be constructed of stone pavers with stone dust in between the pavers and gravel sub base for infiltration.

For the Andover Conservation Commission,
