Merrimack College North Campus Development
DEP File No. 090-750

Dear Mr. Schwarz:

Please be advised that the Andover Conservation Commission at their October 17, 2017 meeting approved the plan revisions outlined in your letter dated October 4, 2017 as an Insignificant Change and plan "North Campus Academic Overlay North Campus Development Merrimack College Andover/North Andover, Massachusetts, Proposed Revised Academic Building Layout", dated October 17, 2017.

The revisions included:

- Reduced footprint for Academic Building A;
- Modification of the fire access lane to the north of Building A and addition of an emergency access sidewalk connection to Rock Ridge Road.
- Reconfiguration of plaza area between Building A and House 7 to accommodate revised Building A footprint.
- Removal of portions of the impervious areas of the Burke Road parking lot and restriping the existing surface to create a more efficient parking layout.

These modifications result in no net increase in total site impervious area.

For the Andover Conservation Commission,

Lynn M. Viselli,
Conservation Administrative Secretary
