Re: **Insignificant Change Request**  
10 Ledge Road, Andover  
DEP File No. 090-1281

Dear Ms. Lofstedt:

Please be advised that the Andover Conservation Commission at their December 5, 2017 meeting approved the plan revisions outlined in your letters dated November 20, 2017 as an Insignificant Change and plan "Town of Andover, Massachusetts Ledge Road Landfill Closure Project, Bid Alternate Plan and Detail", dated June 20, 2017 100% Corrective Action Design Submittal-Not For Construction.

The revisions included:

1. Revisions to the stormwater design, including forebay for the North Basin and in-line proprietary separator device upstream of the South Basin

Please be advised that the Andover Conservation Commission at their December 5, 2017 meeting approved the plan revisions outlined in your letters dated November 21, 2017 as an Insignificant Change and plan "Town of Andover, Massachusetts Ledge Road Landfill Closure Project, Wetland Soils Remediation Plan (Sheet 2 of 3) and Wetland Replication Plan and Section", dated November, 2017 100% Corrective Action Design Submittal-Not For Construction.

The revisions included:

1. Elimination of access road extending across the wetland replication area; this will increase the wetland replication area planned on the former McGrath Property by approximately 1,900 square feet;
2. Removal of the culvert immediately south of the replication area and restoration of stream channel and bank per Detail 6 on Sheet ES-2; and
3. Removal of culvert just beyond the former McGrath Property and restoration of stream channel and bank per Detail 6 on Sheet ES-2.

For the Andover Conservation Commission,

Lynn M. Viselli,  
Conservation Administrative Secretary  
CC: DEP, Chris Cronin and Marc Fournier
