Dear Mr. Cormier:

Please be advised that the Andover Conservation Commission at their March 20, 2018 meeting approved the plan revisions outlined in your letter dated February 22, 2018 as an Insignificant Change.

The revisions included:

Reconfiguration of Building 7 to change the location of the driveways and limited common area locations. The approved 4 unit buildings will now house five, smaller units and the approved unit building will now house four, smaller units all within the approved footprint. The units will be thirty-four feet wide and some will be thirty feet wide.
