

DECISION OF THE ANDOVER PLANNING BOARD
AS A SPECIAL PERMIT GRANTING AUTHORITY

ON THE APPLICATION OF
Alpha Development Corporation

For a Special Permit for Earth Movement under Section 6.3 of the Zoning By-Law.

Decision: SP20-02

YES (with conditions)

A public meeting of the Planning Board was held on July 14, 2020, in the Third floor conference Room of the Town Office Building. Present and voting in the affirmative on the matter were members Zachary Bergeron, Vincent Chiozzi, Ann Knowles Rocky Leavitt and Morgan von Prella Pecelli.

Pursuant to public notice in the Andover Townsman, a newspaper of general circulation in the Town of Andover, published on April 23, 2020 and April 30, 2020, and notice sent by mail, postage prepaid, to all interested parties pursuant to the provisions of Massachusetts General Laws, Chapter 40A, a public hearing was convened on May 12, 2020 on the application of Alpha Development Corporation for a Special Permit for Earth Movement associated with a Definitive Subdivision development of a residential subdivision. The hearing was continued and later closed on July 14, 2020, with the aforementioned members of the Board present throughout.

Premises affected are property owned by Richard and Barbara Moody located at 95 Sunset Rock Road and shown on Assessors Map 99 and Lot 2, comprising of 2.97-acres, hereinafter referred

TOWN OF ANDOVER, MASS

to as the "site", on which a definitive subdivision plan entitled Aston Court would take place.

In consideration of the Special Permit for Earth Movement, the applicant had submitted an earth quantities plan and an erosion and sedimentation control plan for review. In the analysis, as prepared by LandPlex there will be approximately 850 cubic yards of material removed from the site. It has been the past practice of the Planning Board to regulate the hours and days of the earth movement activities. In this instance, the Planning Board has conditioned their approval by restricting earth movement activities to the time period between the last morning pick-up of school children, and the first afternoon drop off.

When considering a special permit for earth removal and regrading the Planning Board must find that the subdivision plan with which it is associated, as a whole, makes the best feasible use of existing topography. The Board must also find that the proposed use will not be unreasonably detrimental to the established or future character of the neighborhood or the town, and further that there are adequate public roadways and municipal utilities. When considering a special permit the Board can, and will, impose such conditions or safeguards, as it deems reasonably necessary.

In the opinion of the Board, the subdivision plan as a whole, makes the best feasible use of the existing topography; the areas of the building lots themselves; and the roadway profiles which will not involve major cuts or removal of earth materials from the site. Although the development is being constructed in an established neighborhood, any adverse effects to those abutters can be mitigated through the regulation of hours of operation.

In consideration of the abutting residences, the anticipated hauling operations associated with the Aston Court development, the existing vegetation, and the preservation and protection of significant natural features, the Planning Board has conditioned their approval to help mitigate any adverse effects that may be associated with this development. In the opinion of the Board the issuance of the special permit (with appropriate conditions) will not result in unreasonable detriment to the neighborhood or the Town.

In consideration of all of the foregoing, including the plans, documents, and testimony given during the public hearing, the Planning Board hereby approves and issues a Special Permit for Earth Movement to Alpha Development Corporation, applicable to the property earlier described, and subject to the following conditions which are the same as those imposed on the aforementioned definitive subdivision plan:

Conditions of Approval:

General Conditions

1. For purposes of this approval the subdivision shall be defined as all features depicted on the plans described under condition number 2; the developer shall be defined as the applicant, Moody Andover Trust and its assigns or successors in title to the development, and all contractors and subcontractors under control of or in service to the developer;

2. Except as otherwise provided for in these conditions the construction of the subdivision and all activities associated therewith shall be in conformance and compliance with the information, details, notations, grading and features shown on the following plans, drawings and documents prepared by LandPlex;
 - a. Sheet 1, Title Sheet, dated March 26, 2020 revised through July 8, 2020;
 - b. Sheet 2, Existing Conditions Plan, dated March 26, 2020 revised through July 8, 2020;
 - c. Sheet 3, Definitive Subdivision Plan, dated March 26, 2020 revised through July 8, 2020;
 - d. Sheet 4, Grading & Erosion Control Plan, dated March 26, 2020 revised through July 8, 2020;
 - e. Sheet 5, Plan & Profile Sheet, dated March 26, 2020 revised through July 8, 2020;
 - f. Sheet 6, Details, dated March 26, 2020 revised through July 8, 2020;
1. An instrument containing these conditions, shall be recorded at the Northern Essex Registry of Deeds;
2. Import or export of earth materials from within the subdivision is prohibited except as may be provided for under this special permit issued under Planning Board Decision SP20-02, or as otherwise allowed under the applicable provisions of the Zoning Bylaw;
3. Construction traffic associated with this subdivision shall be regulated by the Inspector of Buildings. Prior to commencing hauling operations, a hauling route shall have been reviewed and approved by the Inspector of Buildings. Any deviation from the approved route and/or scheduling once established shall require proper notification and approval from the Inspector of Buildings. Construction traffic shall be defined as large trucks hauling earth moving equipment, dump trucks, trucks hauling building materials, cement trucks, and contractors' vehicles larger than panel trucks. It shall be the developer's responsibility to inform all contractors, subcontractors, vendors, and workmen of this restriction, which shall be enforced under the provisions of Section V.H. of the Board's Rules and Regulations;
4. Prior to any construction activity of any kind within the subdivision the developer shall submit for review and approval to the Planning Department a detailed schedule of the anticipated earth operations;
5. All construction activities within the subdivision shall be confined between the hours of 7:00 a.m., and 6:00 p.m., Monday through Friday, unless otherwise approved by the Planning Board. Once fully framed, interior construction related activities are allowed on Saturdays between 8:00 a.m. and 6:00 p.m. unless otherwise restricted or prohibited by

the Inspector of Buildings in response to complaints. Construction activities include the transport of equipment, materials and supplies to and from the subdivision;

6. Hauling of earth materials and heavy equipment during the school bus morning pick up at the site location and drop off at the site location is not allowed. It shall be the developer's responsibility to communicate with the proper school departments to determine precise hours of pick up and drop off at the Sunset Rock Road location, and to inform all contractors, subcontractors, vendors, and workmen of this restriction, which shall be enforced under the provisions of Section V.H. of the Board's Rules and Regulations;

Following the statutory twenty-day appeal period, and in the absence of any appeal, the plan and an instrument containing the foregoing restrictions will be filed in the Registry of Deeds. The applicant is responsible for the costs associated with the Registry filings.

On July 14, 2020, at a regularly scheduled public meeting, the Andover Planning Board voted (5-0) to issue the foregoing Special Permit for Earth Movement.

Date: July 21, 2020

Zachary Bergeron, Chair
