

VIRTUAL  
PUBLIC  
MEETING  
August 10<sup>th</sup>

## Shawsheen River Master Plan Community Meeting #2

The Shawsheen River is a hidden jewel that meanders its way through Andover and the surrounding region. The Shawsheen River Master Plan will collect and present existing and newly acquired information about the river and its relationship to the Town. Over the past several months the Town has collected input from the community via the Public Engagement Portal. On August 10<sup>th</sup>, the Town plans to host a virtual public meeting to update the community on what we have heard to date, review next steps and explore opportunities to engage additional stakeholders.

Date: August 10, 2022

Time: 6:30pm

Virtual Community Meeting:
