Dear BRIAN PENA,

The Massachusetts Department of Environmental Protection's (MassDEP) Drinking Water Program is pleased to extend its congratulations to the ANDOVER WATER DEPT for its outstanding performance in 2020. Your system has achieved one of the top compliance scores in the Medium-Large Community System category of the 2021 Public Water System Awards Program.

MassDEP realizes that it is no easy task to keep up with the ever-evolving federal and state drinking water regulations. Your compliance efforts have not gone unnoticed.

MassDEP encourages you to continue this level of excellence in carrying out your work of protecting and supplying safe and fit water to our citizens. If you have any questions regarding the Awards Program, please contact [Program.Director-DWP@mass.gov](mailto:Program.Director-DWP@mass.gov), Subject: Awards - Marie Tennant.

Please be aware that because of the current pandemic there will be no live Awards Day Celebration this year. However, we would like to virtually celebrate all award recipients during MassDEP Commissioner Suuberg's June 1, 2021, monthly Zoom call, where we will hold a virtual Awards Ceremony. Zoom information for the meeting is included at the end of this letter.

This information is available in alternate format. Contact Michelle Waters-Ekanem, Director of Diversity/Civil Rights at 617-292-5751.

The award recipients' photos will be compiled into a montage and be posted on the web at: <https://www.mass.gov/info-details/public-drinking-water-system-operations#communications->.
