

Household Hazardous Waste (HHW)

Safely dispose of your household hazardous waste.

Leftover household hazardous waste should never be thrown in the trash or recycling bin, flushed down the toilet, or dumped down the drain or storm sewer.

This flyer will be updated with the 2023 date when it becomes available. Pre-registration will be required.

Bring to a Network Event: Please **scroll down to see 2022 collections open to Andover residents.** Be sure to read the notes and check before traveling for any updates or changes.
