Household Hazardous Waste (HHW)

Safely dispose of your household hazardous waste.

*Leftover household hazardous waste should never be thrown in the trash or recycling bin, flushed down the toilet, or dumped down the drain or storm sewer.*

Bring to Andover’s Household Hazardous Waste Collection: Andover’s next collection will be held in the spring/summer of 2021, date to be determined.

Bring to a network event: Please scroll down to see 2020 collections open to Andover residents. Be sure to read the notes and check before traveling for any updates or changes.

Private Disposal: Contact retailers about recycling programs or search for waste disposal facilities/services that accept HHW.

Household Hazardous Waste
- Pressurized cans
- Varnishes
- Stains
