

Affordable Homeownership Opportunity – General Information regarding Deed restrictions:

You are applying for an affordable housing opportunity under Chapter 40B, the Massachusetts Comprehensive Permit Law which restricts the deed for this property (“Deed Rider”). The agency that monitors the implementation and compliance of the “Deed Rider” is called “the “Monitoring Agency”” and for this specific property is: **CHAPA – Citizens’ Housing and Planning Association 18 Tremont Street # 401, Boston, MA 02108. Tel: 617-742-0820**

We recommend that you review the “Deed Rider” before you commit to purchase an affordable home.

Following we highlight for you the important deed restrictions:

Principal Residence: The property must be your principal residence where you regularly live, eat, sleep, are registered to vote, etc.

Leasing: You **may not** rent or lease your home without the prior written consent from the “Monitoring Agency”.

Refinancing: You must get an approval from the “Monitoring Agency” if you wish to refinance your mortgage or obtain a second mortgage.

Capital improvements: You should contact your “Monitoring Agency” prior to making capital improvements to you home (adding living space, replacing major systems etc.). The “Monitoring Agency” can determine if these improvements will be prorated in your resale price.

Selling your home: The resale price of your affordable home is defined by a formula that is included in your “Deed Rider”. When you decide to sell you affordable home you **must** notify the “Monitoring Agency” and the Town. The “Monitoring Agency” will determine the resale price and the selling process to comply with the deed restrictions and to keep the long term affordability of the home.

If you have any questions please contact **Avi Glaser 617-970-2403** before making any commitment!!

ELIGIBILITY REQUIREMENTS

First-Time Homebuyers:

Applicants must be first-time homebuyers. A person is a "first-time home buyer" if no person in his or her household has, within the preceding three years, owned a home or owned an interest in a home with one or more people, such as through joint ownership.

Displaced homemakers, single parents and households over the age of 55 do not have to be first-time homebuyers, but must sell their current property in order to purchase the unit. (The Department of Housing and Community Developments definition of displaced homemakers and single parents will be used, as published in the Comprehensive Permit Guidelines. These definitions are available upon request.)

Income Eligibility:

To be eligible to purchase an affordable home, gross annual income must be below the maximum level as described below. There is no minimum income, although applicant's income must be able to support a mortgage that is sufficient to purchase the affordable home.

To be eligible, the combined annual income for all income sources of all income-earning members in the household must be at or below eighty percent of the area median income, as defined by HUD, adjusted for household size, for the local area. Income in most cases is defined as gross taxable income as reported to the IRS. According to the 2018 Income Guidelines released by HUD on April 2018, the income limits for Andover, MA are the following:

1-person household: \$50,350

2-person household: \$57,550

3-person household: \$64,750

4-person household: \$71,900

Bonus pay, overtime pay or other compensation is most often considered part of the total income. However, these issues will be reviewed on a case-by-case basis. Consideration will be taken if it was a one-time occurrence, or is not a regular occurrence, especially if it renders the household over the income eligibility guidelines. In this case, it could be determined that the household will remain income-eligible.

Applicants must submit evidence of all income sources with the application. This includes:

- Five most recent pay stubs
- Entire federal Tax Returns for the last 3 years (2016,2017,2018)
- W2s from the most recent year (2018)
- Social security documentation, if applicable
- Pension documentation, if applicable
- Any other income sources, such as alimony or child support

Maximum Assets:

The total gross household asset limitation is \$75,000.

Liquid assets include all cash, cash in savings accounts, checking accounts, certificates of deposit, bonds, stocks, and the value of real estate holdings as outlined above, and other forms of capital investment.

Restricted accounts, such as IRAs, 401(k)s, SEPs and pension funds will be used to calculate total amount of assets and will be used to calculate gross income, if a household is currently drawing down from the account(s). Applicants who demonstrate that a penalty will be assessed if such funds are withdrawn, may have the amount of the asset reduces by the amount of the penalty.

Imputed interest income from all accounts, including liquid assets and restricted accounts, will be calculated by multiplying the total amount of assets over \$5,000 by ½% and added to the total gross income.

If a household falls under an exemption to the first-time homebuyer requirement and owns property, the property must be sold. The profit from this sale will be counted towards the asset limit.

Applicants must submit copies of the 2 most recent statements for all assets.

Financing:

Households must be able to obtain their own financing. Households should have sufficient funds for a down payment and closing costs.

Non-household members are not permitted to be co-signers on the mortgage.
