

THE PAYCHECK PROTECTION PROGRAM (PPP) IS ACCEPTING NEW APPLICATIONS STARTING MONDAY 4/27!

Help is available to prepare for your application

Our coalition of partners across the Merrimack Valley, including municipalities, banks, and non-profits, are working together to assist small businesses that were left out of the first round get into the PPP pipeline. We strongly urge our small business community to take FULL advantage of this next round of PPP.

Through a new relationship between MCCI, Reading Coop, and Berkshire Bank, businesses that were not able to submit applications in the first round can now be prioritized, but there is an urgency to get this done NOW!

Funding will be available on a first come, first serve basis.

For assistance in submitting your application through this program please reach out to the **MCCI** contacts below. Phone lines will be monitored around the clock.
